Superintendent's Highlights

The 1996-97 school year was an outstanding school year in the Bruneau-Grand View Joint School District No. 365. A few of those highlights include passage of a two (2) year override levy amounting to \$150,000 per year enabling the board to address numerous facility concerns within the district.

The board also made a commitment of "Block Scheduling" and dealing with enongated time and improved achievement.

Continuous efforts toward curriculum revision K-12 is very much underway as well.

The board is very dedicated to meeting it's agreed upon mission:

Our mission is to develop self-motivated, responsible life-long learners capable of accepting the challenges of tomorrow; accomplished by a committed, qualified staff working in partnership with the students and community.
